### **\*\*EMERGENCY VEHICLE DISCLAIMER\*\***

This vehicle is being sold as a decommissioned emergency vehicle and may be equipped with red/white lights, strobes and/or sirens. If a municipality or legal Fire Department / Law enforcement agency is NOT the highest bidder, it will be the responsibility of the bidder to decommission ALL EMERGENCY INSTRUMENTS prior to the vehicle leaving the facility. This means you will have to cut power to; lights, sirens and/or any radio equipment (shall it be equipped). You must also de-identify this vehicle as being an emergency vehicle. Failure to do so may result in legal ramifications and potential accusations of impersonation. Please keep in mind that former emergency vehicles may have the following (but not limited to): holes in roof or trunk from removed antennas, lights and sirens, missing center console, specialty rear seating, interior cages, and any other emergency vehicle equipment. It is the responsibility of the bidder to inspect each asset you are bidding on and make satisfactory determinations about the condition thereof. No warranties.
